4 BRIDGE REPLACEMENT PROJECTS FOR S.C. D.O.T.

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

The SC Dept. Of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies & environmental documentation for the following four proposed bridge replacement projects: S-16 over Bear Creek, S-70 over Hannah's Creek, S-185 over Cane Creek in Lancaster County & S-650 over Wildcat Creek in York County.

Requested services include, but are not limited to, project management, traffic studies, environmental studies & documentation, preliminary plans, public meeting / hearing plans, displays & support & other duties deemed necessary. The work may also include preliminary & final right-of-way plans, final construction plans, & construction phase services. The project as proposed must be completed on an accelerated schedule.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required, 25%; past perform-

ance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services, 20%; past performance in utilizing DBEs, 5%; familiarity of proposed staff with SCDOT practices & procedures, 15%; availability of key staff & the ability to mobilize quickly & meet project schedules, 25%; & DBE utilization plan, 5%; & current volume of work with SCDOT, 5%. Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or

a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Office of Procurement, Room 101, at the SC Department of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Rm. 101, Columbia, SC 29201, no later than 2:00pm, August 5, 2008.

Requests for copies of the anticipated scope of improvements should be directed to SCDOT Program Manager Jennifer Hastings at (803) 737-5808 or via email at hastingjil@scdot.org.

REPLACEMENT OF OFF SYSTEM BRIDGE IN SOUTH CAROLINA

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

The SC Dept. Of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies & environmental documentation for replacing one off system bridge in South Carolina. Project Name: DAMAGE ASSESSMENT OF BEACHFRONT STRUCTURES

Project Number: J04-D003-MJ

Location: Coastal Zone of South Carolina

Applicable SCBO Notes: 1, 4, & 5

Location at Which Public Notice of

Meetings Will Be Posted:

www.scdhec.net/procurement

Description of Project: Conduct & document damage assessments to beachfront erosion control structures, pools & other coastal structures under the terms of the SCDHEC Ocean Coastal Resource Management Offices' Beachfront Management & Regulations to determine the degree of damage present from storms & other causes & the recoverability / repairability of said structures. Erosion control structures shall be measured, photographed & compared to "pre-storm" conditions to determine whether the structure is damaged beyond repair. Tasks will be assigned to be conducted on an "as needed" basis, according to the specific requirements encountered. Expert witness services may / will be required. Three Indefinite Delivery Contracts shall be awarded to three qualified separate firms for a period not to exceed two years from date of award. Total fees, per contract, shall not exceed \$300,000, excluding reimbursables, with no individual assigned project exceeding \$100,000, excluding reimbursables. No guarantee of actual work is made in this solicitation. The professional may be subject to a performance appraisal at the close of the project. Any questions concerning the terms & conditions of the proposed contract must be addressed to the Agency Coordinator listed below.

Description of All Professional Services Anticipated for Project: Firms selected must have fully qualified & licensed Professional Engineers (PE's) to perform the actual analysis of the assigned structures. PE disciplines must fall within the civil, coastal, structural arena with emphasis on structural capabilities desirable. Survey crews are not anticipated; however, some minor elevation shots may be required. Aerial reconnaissance & photography may also be requested. GPS / GIS background & capabilities will be necessary

Information to Be Submitted In Addition to the Current Standard Federal Forms 254 & 255: None. The Federal government is now using SF330 instead of SF254 & SF255. However, South Carolina law still requires the use of SF254 & SF255, so these forms must be submitted. A PDF copy of these forms is available on the OSE web site,
